

Comparative Grade Statistics between Germany and the Academy of English, Oldenburg for Cambridge English Examinations taken between 2010-2015

Grade statistics give the **average percentages** in each grade for **all sessions** of a particular Cambridge exam. This comparative tables show the Academy of English performance against the German national average for all candidates who took the respective English examination between 2010-2015.

This information demonstrates to students, teachers and parents that candidates trained at the Academy of English through its Cambridge preparation programmes perform strongly and achieve consistently above the German national average for pass marks.

Please note that these statistics do not include absent, partial absent or ungraded candidates.

All total percentages may not round up to exactly 100%.
